By car from Florence or Naples (A1 highway)

From the Highway you have to reach the Ring Route around the city called GRA (Grande Raccordo Anulare)

Exit at number 1, direction Centre- Aurelio-Vatican.

Keep your right side and just after the exit take the 1st on your right which is Via di Acquafredda up to the end.

You are then obliged to turn right and at the first traffic light turn left in Via Mattia Battistini (you will see a Nissan Cars Shop on your left). Keep going ahead to that street until almost the end (approx. 2 kms).

At the corner with Agip Gas Station turn right to that street (Via Suor Celestina Donati) until you will find the Hotel.

(After Via Acquafredda you can also follow the road signs)
